## CREATIVE DIRECTOR

## EXPERIENCE

2021 - 2022

### **Broadcast Video Director** ***Austin Ridge Bible Church***

As a production team member, I oversaw all things video across all three of our campuses, including our broadcast campus. This included live streaming, camera operators, LED Video wall content creation, and building up volunteer teams.

2018 - 2021

### **Creative Director** ***Cityview Bible Church***

While overseeing all internal and external communications, my goal was to create clear and consistent messaging through video, design, and other communications. I also managed all live production at Cityview.

2015 - 2018

### **Creative Director** ***Gateway Baptist Church***

As the Creative Director at Gateway, my tasks included recruiting, training production volunteers, and creating clear and consistent communication for our members.

2014 - 2015

### **Lead Graphic Designer** ***The Ark Church***

As Lead Graphic Designer, I was in charge of weekly collateral for all church services and events and worked on promotional pieces for the church and other ministers within the church.
